STEP NO 1 2		INPUT	EXPECTED RESULT
2	DESCRIPTION Following are the test cases for From text field.		
	Enter valid Data(numeric) into From text field	13/01/2024	It should accept
		2024/13/01 01/13/2024	
		2024/13	
3	Enter invalid Data(numeric) into From text field	01/13	It should not accept
		2024/13 13/2024	
		13	
4	Enter invalid Data(alphabet) into From text field	abhddsfgg	It should not accept
5	Enter invalid Data(alphanumeric) into From text field	abc12334	It should not accept
6	Enter invalid Data(special character) into From text field	@#\$%%	It should not accept
7	Enter invalid Data(combination of alphabet,numeric and		It should not accept
	special character) into From text field	abc123@#\$	
8	Enter invalid Data(combination of alphabet and special symbol) into From text field		It should not accept
9	Enter invalid Data(numeric then space) into From text field	abc@#\$ 13 /01 /2024	It should not accept
10	Enter Past date into From text field	12/01/2024	It should not accept
11	Enter blank into From text field	NA	It should not accept
12	Following are the test cases for To text field But make sure that From text field is h	aving valid data.	
		13/01/2024	
13	Enter valid Data(numeric) into To text field	14/01/2024	It should accept
		2024/13/01	
		01/13/2024 2024/13	
14	Enter invalid Data(numeric) into To text field	01/13	It should not accept
		2024/13	
		13/2024 13	
15	Enter invalid Data(alphabet) into To text field	abhddsfgg	It should not accept
16	Enter invalid Data(alphanumeric) into To text field	abc12334	It should not accept
17	Enter invalid Data(special character) into To text field Enter invalid Data(combination of alphabet,numeric and	@#\$%%	It should not accept
18	special character) into To text field	abc123@#\$	It should not accept
19	Enter invalid Data(combination of alphabet and special		It should not accept
20	symbol) into To text field Enter invalid Data(numeric then space) into To text field	abc@#\$ 13 /01 /2024	It should not accept
21	Enter invalid Data(numeric then space) into 10 text field Enter Past date into To text field	12/01/2024	It should not accept
22	Enter blank into To text field	NA	It should not accept
23	Following are the Testcases for Floor text field But make sure that To text field is having valid da	ita.	
24	Enter valid data(numeric) into Floor text field	2 12	It should accept
25	Enter 0 into Floor text field	0	It should not accept
26	Enter invalid data(numeric) into Floor text field	13	It should not accept
27 28	Enter invalid data(alphabet) into Floor text field Enter invalid data(special symbol) into Floor text field	abcgf @#\$	It should not accept It should not accept
29	Enter invalid data(alphanumeric) into Floor text field	a1	It should not accept
30	Enter invalid data(Combination of alphabet,numeric and		It should not accept
	special character) into Floor text field Enter invalid data(combination of alphabet and special	a1#	·
31	symbol) into Floor text field	a#@	It should not accept
32	Enter invalid data(combination of numeric and special		It should not accept
33	symbol) into Floor text field Enter blank into Floor text field	1@ NA	It should not accept
34	Following are the Testcase for Smoking allowed checkbox But make sure that Floor text field is valid data.	having	
35	Click on Smoking allowed checkbox	NA NA	It should accept
36	Click on Smoking allowed checkbox Following are the Testcase for Select Equipment.		
	Click on Smoking allowed checkbox Following are the Testcase for Select Equipment. Click on PC Click on Phone	NA NA NA	It should accept PC should select Phone should select
36 37 38 39	Click on Smoking allowed checkbox Following are the Testcase for Select Equipment. Click on PC Click on Phone Click on Flip Chart Board	NA NA NA	PC should select Phone should select Flip chart should select
36 37 38 39 40	Click on Smoking allowed checkbox Following are the Testcase for Select Equipment. Click on PC Click on Phone Click on Flip Chart Board Click on Projector	NA NA	PC should select Phone should select Fijo chart should select Projector should select
36 37 38 39 40 41	Click on Smoking allowed checkbox Following are the Testcase for Select Equipment. Click on PC Click on Phone Click on Phone Click on Projector Click on PC, Phone, Flip chart Board and Projector	NA NA NA	PC should select Phone should select Flip chart should select
36 37 38 39 40	Click on Smoking allowed checkbox Following are the Testcase for Select Equipment. Click on PC Click on Phone Click on Flip Chart Board Click on Projector	NA NA NA NA	PC should select Phone should select Flip chart should select Projector should select Projector should select PC:Phone Flip chart Board
